Being all of Tract 1 (containing 38.89 acres), Tract 2 (containing 23.46 acres) and Tract 3 (containing 1.50 acres) as identified and set forth on that Survey for Bliss Homes by Stewart-Proctor, PLLC, dated August 21, 2014, recorded in Book of Maps 2014 Page 150, Franklin County Registry AND EASEMENT AGREEMENT dated 08/29/2014 Doc No: 00481327 Kind: ESMT Book: 1960 Page: 856 Franklin County Registry.

All of the real property hereinabove described shall be referred to herein as the "Existing Property". The Declarant intends to develop the existing property in accordance with a master plan. Declarant reserves the right to review and modify the master plan, from time to time, at its sale option based upon its continuing research and design program. The master plan shall not bind the Declarant to the master plan in the development of the land shown thereon. Pursuant to its right to modify the master plan as stated herein and Section 47F-3-112 of the Act, the Declarant may convey to the association certain common areas designated on the master plan as such properties that may be transferred to the association as, in the reasonable exercise of its discretion, it so chooses, without regard to the relative location of such properties or sections within the overall plan and provided that such conveyance and/or mortgage is approved by Members entitled to cast at least eighty (80%) of the votes of the Association; provided that this provision shall not preclude the Board of Directors from granting easements for the installation and maintenance of electrical, telephone, cable, water and sewage, utilities and drainage facilities upon, over, under and across the Common Areas without the assent of the Members if such easements are requisite for the convenient *use* and enjoyment of the property. Other than as stated in this paragraph or as otherwise limited by applicable laws, ordinances, rules and regulations of appropriate government governmental entities, the Declarant shall have full power to add to, subtract from, or make changes in the master plan regardless of the fact that such actions may alter the relative maximum potential voting strength of the various types of membership of the association.

2. Annexation to Existing Property_ Declarant shall have the right, so long as it owns any lot, to add additional property, to the property which is the subject of this

Declaration, provided that such additional property is within a one mile radius of the property. Such additional property shall be added by recordation of a Supplemental Declaration identifying such additional property and the consent of the Members and Mortgagees shall not be required. Each Supplemental Declaration may contain such complementary additions and modifications of the covenants, conditions and restrictions contained herein as may be necessary to reflect the different character of the added property.

In the event the Declarant adds additional property to the Property which is the subject of this Declaration, the Declarant shall have the absolute right, all other provisions of this Declaration notwithstanding, to use any portion of the Property for roadway or other access to the property being added. This right shall include, but not be limited to, the right to use mapped lots owned by Declarant for vehicular and/or pedestrian access the additional property.

No such delegation shall release an Owner from his or her obligation hereunder, including, but without limitation, obligation to pay assessments.

ARTICLE V

COVENANT FOR ASSESSMENTS

1 Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot within the property, hereby covenants and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) all General Annual Assessments (2) General Special Assessments for capital improvements, or extraordinary activities of the Association, (3) Specific Special Assessments, as determined by the Association, such assessments to be established and collected as hereinafter provided. Any such assessment or charge, together with interest, costs, fines, late charges as authorized by statute, collection and administrative fees, court costs and reasonable attorney's fees shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment or charge is made. Each such assessment, together with interest, costs, fines, late charges

as authorized by statute, collection and administrative fees, court costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment or charge fell due.

2. Purpose of Assessments.

a. The General Annual Assessments levied by the Association shall be used to promote the recreation, health, safety and welfare of the residents of the property and in particular for the maintenance and improvement of the Common Areas and other purposes reasonably related to the foregoing. In addition, the General Annual Assessments shall be used to pay the cost of administration of the affairs of the Association, including payment of applicable taxes, and for the preservation of the Association's existence, to the extent properly allocable to the performance and exercise of the Association's duties and powers under this Declaration.

b. All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the property, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the Bylaws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be comingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom, shall be held for the benefit of the Members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot, by whatever means, and the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Property.

3. Reserve Funds. The Board of Directors shall establish and maintain reserves in accordance with the standard accounting practices and procedures for Common Areas' replacement and maintenance in the initial budget of the Association. Funds deposited and reserved for a particular purpose shall be held for that purpose and shall not be expended for any other purpose without (1) if a two class voting structure is in effect, the vote or written consent of a majority of each class of Members or (2) if a two class voting structure is not in effect, the vote or written consent of a majority of the Members of the Association, except that if the Board of Directors determines the funds held in reserve for a particular purpose exceed any amount reasonably required is a prudent reserve for that purpose, then, without the vote or written consent of Members, the excess may be allocated to any other reserve fund established by the initial budget of the Association and expended for the purpose for which such other reserve funds have been established.

4. Budgeting and Fixing Assessments.

a. On the first day of the month next following the initial conveyance to the Association of all or part of the Common Area, the Board of Directors shall adopt a proposed budget and fix the amount of General Annual Assessment as to each lot for the then current calendar year, and shall thereafter adopt a proposed budget for each subsequent year at least thirty (30) days prior to January 1 of each calendar year. The Association shall send written notice of the amount of the General Annual Assessment and a summary of the proposed budget, as well as the amount of the payment due to each owner within thirty (30) days after the adoption by the Board of such budget. To the extent required by Section 47P-3-103© of the Act or other applicable law, such notice shall include notice of the meeting of the Members to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. If such a meeting is required by Section 47F-3-1030 of the Act or other applicable law, the Board shall set a date for a meeting of the Members to consider ratification of the budget to be held not less than fourteen (14) or more than thirty (30) days after mailing of summary and

notice. If such meeting is required as set forth below, there shall be no requirement that a quorum be present at the meeting. If the proposed budget to be voted on at any such meeting is within the maximum increase limit set forth in subsection (b) below, the budget is ratified unless at such meeting members exercising a majority of the votes of the Association reject the budget. The failure of the Association to send, or of a member to receive, such notice, shall not relieve any member of the obligation to pay any assessments.

b. For the years following the year in which the initial conveyance of all or part of the Common Areas occurs and thereafter, the Board of Directors, by a majority vote, without a vote of the members (unless required under Section 47F-3-103© of the Act or Other applicable law, in which case the procedures set forth in subsection CO above apply), may increase the Regular General Assessment each year by a maximum amount equal to the previous year's General Annual times the greater of (1) ten percent (10%) or (2) the annual percentage increase of the Consumer Price Index for the most recent twelve month period for which the Consumer Price Index is available. If the Consumer Price Index is discontinued, then the index most similar to the Consumer Price Index (published by the U.S. Government indicating changes in the cost of living) shall be used. From and after the first year of the General Annual Assessments, the maximum General Annual Assessment may be increased above the maximum amount set forth above by a vote of the majority of the votes in the Association, plus the written consent of Declarant (so long as Declarant owns any part of the property.)

c. The Board shall have the right to reduce the Assessments at any time.

5. Capital Contribution. Upon the first sale of each and every Lot to an Owner who will individually or through tenants or assigns occupy a Lot, an initial capital contribution in the amount of \$250.00 shall be collected at the closing of such sale for the benefit of the Association. Such capital contribution can be commingled with other Assessments, and shall be maintained and applied for operating/working capital expenses.

6. Communal water system operated by Old North State Water Company.

- a. Connection fee: \$500 (this is a one-time fee which is charged to the homeowner or builder that initially request service at that location).
- b. Meter fee: \$70 (this is a one-time fee which is charged to the homeowner or builder that initially request service at that location).
- c. Monthly Rate: (This rate is set by the North Carolina Utilities and can change only after a rate increase request by the Utility and an investigation by the Commission and Public Staff - typically a 9 month process).
- d. Base charge: \$15.00/month Usage Charge: \$5.00/1,000 gallons of usage.
- e. The above rates may change from time to time as may be determined by the Declarant, the Board or the Water Company.

7. Date of Commencement of Assessments; Due Date. The General Annual Assessments provided for herein shall be due i.e. full on January 1 of each calendar year (other than the first year in which such assessments are levied, in which case, such are due immediately upon assessment), and shall be payable, as determined by the Association in its absolute discretion, on a monthly or quarterly basis on the first business day of each calendar month or quarter. The first such General Annual Assessment shall be adjusted according to the number of days remaining in the calendar year (pro-rated) after conveyance of the first Lot to an Owner or on the date Declarant decides to commence General Annual Assessments. All assessments shall be due immediately when levied by the Association, or at such other time determined by the Association. Failure by an owner to pay any assessments in a timely fashion shall give the Association the right to accelerate all assessments for the year in which such deficiency occurs. Upon notice of such acceleration, the delinquent Owner shall immediately be obligated to pay all remaining assessments for that year. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at eighteen percent (18%). In addition to such interest charge, the delinquent Owner shall also pay such late charges or fines as may have been theretofore established by the Board of Directors. The Association may bring an action at law against the

Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosure of deeds of trust under power of sale, and interest, late payment fees, collection and administrative fees, costs and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Lot, nor shall damage to or destruction of any improvement on any Lot by fire or other casualty result in abatement or diminution of the assessments provided for herein, provided, however, that an Owner's failure to pay any assessment shall not constitute a default under any mortgage given by that Owner, unless expressly agreed to by the Owner in writing.

8. Exempt Property. All land which shall be dedicated to and accepted by a local public authority, and all land granted to or used by a utility company, and property owned by a nonprofit organization exempt from taxation under the laws of the State of North Carolina shall be exempt from the assessments and charges created herein.

9. Subordination to the Lien of First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first priority deed of trust or first mortgage. The sale or transfer of any Lot shall not affect the assessment lien; provided, however, the sale or transfer of any Lot which is subject to any first deed of trust or first mortgage, pursuant to a foreclosure thereof or under a power of sale, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer.

10. Application of Payments. In the event an Owner pays any funds after the imposition of any fines, or the incurrence of collection fees, the funds paid shall be applied first to any fines levied, then to any other late fees, if any, then to any special assessment, if any, then to the general Annual Assessments.

11. Special Assessments. In addition to the General Annual Assessments authorized herein, the Board may levy, in any assessment year, Special Assessments as follows:

a Common Area. The Board may levy, in any assessment year, Special Assessments against all Owners of Lots applicable to that year only for the purpose of defraying in whole or part, the cost of any construction, reconstruction, repair or replacement of capital improvements and related fixtures and personal property on or comprising a part of the Common Areas or other extraordinary activities of the Association; provided, however, any such assessment shall be in a ratio of four-to-one for Lots owned by class A. Members and Class B Members, respectively, and further provided in any fiscal year, special assessments which exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year may not be levied without (1) if any two class voting structure is in effect, the vote or written consent of sixty-seven percent (67%) of the votes of each class of Members of the Association or (2) if two class voting structure is not in effect, the vote or written consent of sixty-seven percent (67%) of the votes of the Association.

12. Allocation of Assessments. All General Annual Assessments and Special Assessments shall be levied equally against all Owners except that no assessments shall be levied upon Lots owned by the Class B Member until the earlier of the following occur: (i) conveyance of the Lot from Declarant to an Owner other than one of Declarant's approved builders; or (ii) the issuance of a Certificate of Occupancy for a residence constructed on the Lot.

ARTICLE VI

ARCHITECTURAL CONTROL AND USER RESTRICTIONS

No exterior construction, alteration, addition, erection or landscaping of any nature whatsoever shall be commenced or placed upon any part of the Property, except such as is

installed by Declarant, or as is approved in accordance with this Article, or as is otherwise expressly permitted herein. No exterior construction, addition, erection, change, alteration or landscaping shall be made, unless and until plans and specifications showing the nature, kind, shape, heights, materials, exterior finishes, colors and location of the same shall have been submitted in writing to and approved in writing by an Architectural Control Committee (ACC). The ACC may be, in the discretion of the Board of Directors, established so that it is divided into two (2) subcommittees, one (1) having jurisdiction over modifications and (2) having jurisdiction over new construction. The Board of Directors may employ architects, engineers, or other persons as it deems necessary to enable the ACC to perform its review. The ACC may, from time to time, delegate any of its rights or responsibilities hereunder to one or more duly licensed architects or other qualified persons, which shall have full authority to act on behalf of the committee for all matters delegated. Written design guidelines and procedures may be promulgated for the exercise of this review, which guidelines may provide for a review fee. So long as Declarant owns any of the Property for development and/or sale, Declarant shall have the right to appoint all members of the ACC. Upon the expiration or earlier surrender in writing of such right, the Board of Directors shall appoint the members of the ACC.

If the ACC fails to approve or disapprove such submitted plans and specifications within forty-five (45) days after the complete plans and request have been submitted in writing approval will not be required, and the plans and specifications shall be deemed to have been approved as submitted. However, all activities commenced pursuant to such plans which have been approved shall be consistent with such plans. In addition, no approval, whether expressly granted or deemed granted as provided herein, shall be inconsistent with this Declaration or any design guidelines promulgated by the Board of Directors unless a variance has been granted in writing by the Board of Directors.

As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the ACC, an owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The ACC shall be the sole arbiter of such plan and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the Board of Directors or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants or any other provisions of this Declaration have been or are being complied with. Such person or persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may record in the appropriate land records a notice of violation naming the violating Owner.

PLANS AND SPECIFICATIONS ARE NOT APPROVED FOR ENGINEERING OR STRUCTURAL DESIGN OR QUALITY OF MATERIALS, AND BY APPROVING SUCH PLANS AND SPECIFICATIONS NEITHER THE ACC, THE MEMBERS THEREOF, NOR THE ASSOCIATION ASSUMES LIABILITY OR RESPONSIBILITY THEREFOR, NOR FOR ANY DEFECT IN ANY STRUCTURE CONSTRUCTED FROM SUCH PLANS AND SPECIFICATIONS, NEITHER THE DECLARANT, THE ASSOCIATION, THE ACC, THE BOARD OF DIRECTORS, NOR THE OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES AND AGENTS OF ANY OF THEM SHALL BE LIABLE IN DAMAGES TO ANYONE SUBMITTING PLANS AND SPECIFICATIONS TO ANY OF THEM FOR APPROVAL, OR TO ANY OWNER OF PROPERTY AFFECTED BY THESE RESTRICTIONS BY REASON

OF MISTAKE IN JUDGMENT, NEGLIGENCE, OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY PLANS OR SPECIFICATIONS AND EVERY OWNER AGREES THAT SUCH PERSON OR OWNER WILL NOT BRING ANY ACTION OR SUIT AGAINST DECLARANT, THE ASSOCIATION, THE ACC, THE BOARD, OR THE OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AND AGENTS OF ANY OF THEM TO RECOVER ANY DAMAGES AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH ANY JUDGMENT, NEGLIGENCE, OR NONFEASANCE AND HEREBY WAIVES THE PROVISIONS OF ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS, AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

ARTICLE VII

MAINTENANCE AND SERVICE

1 Maintenance and Service by the Association.

a. Maintenance and Service Obligations Benefiting the Lots Exclusively: The Association shall not provide any maintenance to any of the Single Family Lots.

b. Maintenance Obligations Benefiting All Lots: The Association shall provide ordinary care and maintenance for all portions of the Common Areas and all facilities thereon.

c. Maintenance Easements. In order to enable the Association to accomplish its maintenance obligations as set forth in this Article, permanent rights and easements over all Lots have been reserved to the Association.

2 Maintenance by Owners:

a. The Owner of each Lot shall maintain the grounds and improvements situated on his Lot, including, but not limited to, plantings, landscaping and lawns, at all times in a neat and attractive manner. Provided, however, the external appearance of such maintenance, repairs or replacement shall be subject to the regulation and control of the Declarant or the Association as provided in this Declaration, each Owner of a Lot shall be responsible for replacement and construction of improvements on his or her Lot required because of damage or destruction by fire or other casualty.

b. Should an Owner fail to discharge his maintenance, repair or replacement responsibilities in a reasonable and prudent manner to standards harmonious with that of other Lots in the Subdivision, as determined by the Declarant in its discretion or, after the Declarant owns no portion of the Property, by the Association, then the Declarant (or Association, if appropriate) in its discretion may demand that the Owner promptly comply with the same by mailing a notice thereof to the Owner at his address, specified in his contract to purchase such Lot and by posting such notice on the Lot. If the Owner has not complied with the notice within ten (10) days thereafter, the Association shall have the right to cause such maintenance, repair or replacement to be performed and to charge the cost thereof as part of and in addition to the regular Assessment attributable to the Lot and provided for in this Declaration, notwithstanding any provision to the contrary contained herein. Should an Owner fail to pay any charge billed in accordance with this subparagraph (b) within fifteen (15) days of such billing, then the Association shall have the right to levy fines and to claim a lien against the Lot and to foreclose such lien, all as provided for in Article V of this Declaration. No such entry as provided herein shall be deemed a trespass.

3 General Maintenance Provisions.

a. In the event that the need for maintenance, repair or replacement is caused through the willful or negligent act of the Owner, his family, guests or invitees, the cost of such maintenance, repair or replacement shall be added to and become a part of the Assessments to which such Lot is subject, notwithstanding any provisions to the contrary contained herein.

b. The Association shall have the power to enforce the obligations contained in this Article VII through the levy of Specific Special Assessments.

ARTICLE VIII

USE RESTRICTIONS

1. Residential Use. All Lots shall be used for single family, residential purposes. Single family is defined as being no more than four persons unrelated by blood, marriage or adoption occupying a single Lot. No business or business activity shall be carried on, in or upon any Lot at any time except with the written approval of the Board of Directors and so long as the business or business activity is in compliance with the applicable zoning requirements for the Subdivision. Leasing a Lot shall not be considered a business or business activity. However, the Board of Directors may, but not be obligated to, permit a Lot to be leased for business purposes so long as such business, in the sole discretion of the Board of Directors, does not otherwise violate the provisions of the Declaration or Bylaws, does not create a disturbance and does not unduly increase traffic flow or parking congestion. The Board of Directors may issue rules regarding permitted business activities.

Notwithstanding the foregoing, under no circumstances shall any child or day care business be conducted or carried on, in or upon any Lot. A day care business is defined as: for-profit child *care* facility for three (3) or more children which requires the issuance of a license under the N.C. General Statutes and N.C. Dept. of Health and Human Services rules and regulations.

2. Nuisance. It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on such Owner's Lot. No property within the Subdivision shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear in an unclean or untidy condition or that will, be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Subdivision, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any property within the Subdivision. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Subdivision. Without limiting the generality of the foregoing, no horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Lot unless required by law. Notwithstanding the above, outdoor speakers are allowed if they are used at a reasonable noise level.

3. Animals. No animals, livestock, or poultry of any kind shall be kept or maintained on any Lot or in any dwelling, except that dogs, cats or other usual or common household pets in a reasonable number as determined by the Board of Directors, may be kept on a Lot. Notwithstanding the above, those pets which, in the sole Discretion of the Board of Directors, endanger the health, make objectionable noise, or constitute a nuisance or inconvenience to the

Owners of any Lot or the owner of any property located adjacent to the Subdivision, may be removed by the Board. No pets shall be kept, bred or maintained for commercial purposes.

Without prejudice to the Board of Directors' right to remove any such household pets, no household pet that has caused damage or injury may be walked in the Subdivision. No structure for the care, housing or confinement of any animal shall be constructed, placed or altered on any Lot unless plans and specifications for such structure have been approved by the ACC as provided in Article VI of the Declaration. No pet shall be permitted to run free without the presence and supervision of its Owner. All Owners must use a leash when walking a pet, and must clean up after said pet. No dog run may be constructed or maintained on any Lot. Notwithstanding the foregoing, in no event shall more than three (3) dogs or cats be maintained on any Lot. Pets shall be kept indoors and no pet shall be kept chained or tied outdoors except temporarily and for periods not to exceed two (2) daylight hours during any one day period.

4. Outbuildings or Similar Structures. No outbuildings, sheds or detached garages of any kind shall be erected or allowed to remain on any Lot except (a) with the prior written consent of the ACC, or (b) for a detached garage installed by a builder at the time the house on a Lot is constructed and which detached garage was approved by the ACC. Any outbuildings, sheds or other accessory structure permitted hereunder shall be such that its outward appearance is harmonious with the general architecture of the main dwelling erected on each Lot, including but not limited to color and material. No wood, metal, plywood or plastic materials will be permitted for use on any outbuildings, sheds or detached garages. However, this section shall not be construed to prevent Declarant or any other builder from developing, constructing, marketing or maintaining model homes or speculative housing within the Subdivision. In addition, this section shall not be construed to prevent Declarant and those engaged in development, construction, marketing, property management or sales in the Subdivision from using trailers, sheds, or any other temporary structures for any of the foregoing purposes.

5. Vehicles and Parking. The term "vehicles" as used herein, shall include, without limitation, motor homes, boats trailers, RVs, ATVs, motorcycles, mini-bikes, scooters, go-carts, trucks, sport utility vehicles, campers, buses, vans, limousines and automobiles. Vehicles shall not be parked on the Common Areas or any portion of a Lot other than the garage; however, vehicles may be parked on the driveway of the Lot if garage space is not adequate or if the Lot owner or occupants have more vehicles than the number of garage parking spaces. Those excess vehicles which are a Lot Owner's or occupant's primary means of transportation on a regular basis may be parked on the driveway of the Lot. All parking shall be subject to such rules and regulations as the Board of Directors may adopt.

All homes on Lots shall contain a garage. No unenclosed vehicle parking (carport) shall be constructed or maintained on any Lot. Garage doors shall be kept closed at all times, except during times of entering or leaving the garage.

Notwithstanding anything provided herein to the contrary, no towed vehicle, boat, boat trailer, recreational vehicle, motor home, mobile home, bus, truck with camper top, truck (except pick-up trucks and sport utility vehicles), commercial vehicle, motorcycle, mini-bike, scooter, go-cart or similar recreational vehicle shall be permitted on any Lot, unless kept in an enclosed garage, for periods longer than forty-eight (48) consecutive hours (the intent of this provision is that the aforementioned vehicles may not be stored on a Lot except in a garage and the temporary removal of such vehicle from a Lot to break the continuity of the forty-eight (48) consecutive hours shall not be sufficient to establish compliance with the restriction.) Any such vehicle may be considered a nuisance and may be removed from the Subdivision.

No vehicle may be left upon any portion of the Subdivision, except in a garage, if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public streets. Any such vehicle shall be considered a nuisance and may be removed from the Subdivision.

No motorized vehicles, except for duly-licensed "street legal" motor vehicles shall be operated on any street within the community or upon any Common Areas, except for public safety vehicles authorized by the Board of Directors.

The above provisions in Section 3 shall not apply to Builder's construction vehicles during the construction of a house on a Lot.

6. Occupants Bound. All provisions of the Declaration, Bylaws, and any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which, provide for sanctions against Owners shall also apply to all occupants even though occupants are not specifically mentioned. Fines may be levied against Owners and occupants in accordance with NCGS 47P-3-107.1. If a fine is first levied against an occupant and is not paid timely, the fine may then be assessed against the Owner.

7. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

8. Fences. No fence or wall of any kind shall be erected, placed or maintained upon any portion of the Subdivision, including any Lot, unless and until plans and specification showing at least the nature, kind, shape, height, materials, color, texture and placement of such fence or wall have been submitted in writing to, and approved in writing by, the ACC as provided in Article VI. No fence or wall shall be erected on a Single Family Lot closer to the street than the side street setback or the front of the building facade except for temporary decorative fencing installed by the builder on a model home. No "blockade style", "stockade style", privacy fences, or fences with less than 20% open space across the facing of the fence, will be permitted, unless prior approval is granted. Fences may not exceed 72" in height and generally follow the contour of the land. AU rails and posts should be placed in a manner so that the finished planks are viewed from the street and the adjoining Lot owners, rather than the structural supports. If a neighbor has an existing fence in place, Owners must connect the fence to the existing fence to eliminate any maintenance issues in between the fences.

Fences may be placed along a Lot's property lines, with a one-inch (1") setback from the line. Adjoining Lot Owners are expressly allowed to connect their fencing to the neighboring fence, provided that the neighboring fence is located no more than fifteen inches (15") inside the property line. Fences may be located in the rear yard and must not extend toward the front of the house past the rear corner of the house. Corner lots may have fences that do not extend more than six feet (6') from the side of the house, and fences may extend no closer than twelve feet (12') to the curb on the side of the street. If the house contains a garage with a side door, then the fence may extend from the rear to the front of the house far enough to permit access from the side door to the fenced yard area. Fences on corner lots must be setback a minimum of fifteen feet (15') from the side street right-of-way or no closer to the street than the side yard setback line, whichever is greater.

The ACC may issue guidelines detailing acceptable fence styles, but in no event may an uncoated chain link or barbed wire fence be approved. Fences must be sturdily constructed so as not to sag over time. Fences may not block the flow of surface drainage or interfere with storm drain structures. Fences may not block access to sanitary sewer manholes. Notwithstanding anything provided herein to the contrary, the Board of Directors shall have the right to erect fencing of any type considered appropriate or desirable by the Board of Directors at any location on the Common Area.

Nothing in this paragraph shall be deemed to apply to or regulate retaining walls made necessary by the slope or grade of any Lot or to any fence installed by the Declarant or Builder.

9. Signs. No sign of any kind shall be displayed by an Owner or occupant within the Subdivision without the prior written consent of the ACC except (a) signs used by the

Declarant to advertise lots for sale during the construction and sales period, (b) signs expressing support for or opposition to political candidates or other issues which will appear

on the ballot of a primary, general or special election, provided that such political signs shall not be erected on a Lot earlier than sixty (60) days prior to such election and shall be removed within two (2) days after such election, (c) professional security signs not to exceed two square feet and consistent with the community-wide standard, (d) any signs required by legal proceedings, and (e) reasonable and appropriate signs erected by the Board of Directors. In connection with a bona-fide offer to sell or lease a Lot or residence, one professionally lettered "For Sale" or "For Rent" sign consistent with the community-wide standard shall be permitted.

10. Antennas, Satellite Dishes or Discs. The Board of Directors may issue rules regarding the erection of exterior antennas and satellite dishes; provided such rules do not prevent reception of acceptable quality signals or cause an unreasonable delay or cost. Unless screened and located to provide minimum visual impact on neighboring properties and streets, no exterior antennas or satellite dishes shall be placed, allowed, or maintained upon any portion of the Subdivision, including any Lot; provided such screening and location do not prevent reception of acceptable quality signals or cause an unreasonable cost or delay. In no event shall any dish or antenna in excess of one meter in diameter be permitted in the Subdivision and in no event shall any antenna or dish be located in the front of any house.

11. Swimming Pools. No swimming pool shall be constructed, erected or maintained upon any Lot without prior written consent of the ACC and in no event shall any above-ground swimming pools be permitted, except that small, inflatable wading pools shall be permitted.

12. Mailboxes. All mailboxes and mailbox posts shall be of a style and color approved by the ACC or Declarant.

13. Clotheslines. No exterior clotheslines may be erected or maintained on any Lot.

14. Landscaping, Trash and Vegetation

a. Any addition or alteration to a Lot which makes a noticeable change from the street or which might cause erosion, requires approval in advance, i.e., retaining walls, landscape timbers, rail road ties, adding or removing trees and/or shrubs. Landscaping should relate to the existing terrain and natural features of the lots. Allowable plant bed materials include black or brown pine needles, mulch or wood chips.

b. No trash, rubbish, recyclable materials, garbage or other waste material shall be kept or permitted upon any lot, except in sanitary containers (garbage cans or recycling bins) located in the Owner's garage or an appropriate area screened and concealed from view from the street.

c. No weeds, vegetation, rubbish, debris, or materials of any kind whatsoever shall be allowed to accumulate on any portion of the lot which would render it unsanitary, unsightly, offensive, or detrimental to any other property.

d. Outside burning of trash, leaves, debris or other materials is not permitted.

e. Compost must be fully contained in an air tight container and not be visible from any street or common area.

f. Building materials and equipment used for architectural improvements, as approved by the ACC or Board, should not be stored where visible from the street for more than thirty (30) days.

g. Lawns must be mowed and maintained on a weekly basis during the growing season.

h. Shrubbery and other plantings must be kept neat and trimmed as to appear neat and attractive.

i. Dirt yards, yards with large dirt patches, or yards that are consumed with weeds are prohibited. The Owner is responsible for maintaining a healthy lawn that is neat and attractive.

15. Garbage Cans, Woodpiles, Etc. All trash *cans*, debris and similar items shall be kept or screened from view of neighboring lots, streets and adjacent property; provided, however, if rubbish, garbage or any other form of solid waste is to be disposed of by being collected on a regular and recurring basis, containers may be placed in the open on the evening before a pickup as necessary to provide access to persons making such pick-up. Garbage can screens should be consistent with the color of the dwelling, or left in a natural treated wood. All trash, rubbish and debris shall be regularly removed (no less frequently than weekly) and shall not be allowed to accumulate. Trash, garbage or other waste may not be burned within the Subdivision except by Declarant during construction.

16. Removal of Trees. Except in the case of an emergency situation, no tree larger than 6" in diameter at a point measured 3' off the ground shall be removed from any lot without the prior written approval of the Declarant, provided that this provision shall be deemed applicable only to lots which have been occupied under a certificate of occupancy granted by an appropriate governmental entity.

17. Subdivision of Lots. No Single Family Lot shall be subdivided or its boundary lines changed except with the prior written approval of the ACC. Declarant, however, expressly reserves the right to replace any Single Family Lots owned by Declarant, but must not be in violation of applicable subdivision and zoning regulations.

18. Guns. The use of firearms (BB guns, pellet guns, bows and arrows, sling shots and firearms of all types) in the Subdivision is prohibited

19. Leasing. The Declarant has deemed it to be in the best interest of Lot Owners to restrict the number of Lots that may be leased or occupied by persons other than the Lot Owner. Such restrictions will, among other things, enhance property values by promoting stability and reducing resident turnover; increasing interest by the Lot Owners in the appearance and maintenance of their lots and the community; minimizing problems of rule enforcement and vandalism; and ensuring that Lots and Lot Owners qualify for certain federally-supported mortgage programs. These restrictions do not restrict any Owner's rights under the First Amendment or my other provisions of the U.S. Constitution, nor are they in violation of public policy.

a. Notice to Board. Any Lot Owner intending to make a lease of his/her Lot shall give prior written notice to the Board of Directors of such intention. For purposes of this Section, "lease" is defined as regular, exclusive occupancy of a Lot by any person(s), other than the Lot Owner, for which the Lot Owner receives any consideration or benefit, including but not limited to, a fee, service or gratuity. The required notice shall include a complete copy of the proposed lease, and such other information as the Board shall reasonably require. All leases of lots shall be in writing, utilizing standardized lease forms approved by the Board. Any lease must include the following notice: "The terms of this lease are subject to the provisions of the Rules, DCV&R's, Articles and Bylaws of the Homeowners Association. Any failure by the renter to comply with the rules or *terms* of those documents shall be a default under this lease." The provisions of this Section shall also apply to the renewal of or modification to the terms of any lease of a Lot. No subleasing of a Lot shall be allowed.

b. Approval of the Board. Within 15 days after receipt of such notice, the Board shall provide the Lot Owner with written notice of its approval or disapproval of the proposed lease. The decision of the Board shall be final and non-appealable, but approval shall not unreasonably be withheld. The Board's approval may be conditioned upon the addition, deletion, or modification of any provision of the proposed lease, or information gleaned by the board from any investigative, criminal background or credit reports obtained by or provided to the Board, THE BOARD SPECIFICALLY RESERVES THE RIGHT TO WITHHOLD THE APPROVAL OF ANY

LEASE WHICH WOULD RESULT IN FIFTEEN PERCENT OR MORE OF THE TOTAL NUMBER OF LOTS WITHIN THE COMMUNITY BEING OCCUPIED BY PERSONS OTHER THAN THE LOT OWNER. The failure of the Board to provide written notice to the Lot Owner of its approval or disapproval of the proposed lease within the 15 day period contemplated by this section shall be deemed an approval of the proposed lease.

c. Compliance with declaration, By-Laws and Rules and Regulations. Any lot Owner leasing his/her Lot shall provide the Lessee with a copy of the Declaration, By-Laws and Rules and Regulations affecting the Community upon execution of the lease. The Lessee shall be bound in all respects by the provisions contained therein, Any default by a Lessee of such provisions shall entitle the Association to terminate the lease, and the Lot Owner hereby irrevocably appoints the Association as its lawful attorney-in-fact (power of attorney) to take all actions necessary to terminate the lease and the Lessee's right to possession of the Lot, including the commencement of legal proceedings against the Lot Owner and/or the Lessee.

d. Void Transactions. Any lease of a Lot which is not approved pursuant to the terms of this section shall be void, unless subsequently approved in writing by the Board. Any violation of these provisions shall subject the Lot Owner to a fixed or daily fine, after notice and an opportunity to be heard, in accordance with NCGS 47F-3-107,1,

e. The Board of Directors reserves the right to waive any or all of these restrictions with respect to any particular Lot if strict enforcement hereof would result in an undue hardship on the Lot Owner. Decisions on claimed hardships shall be determined on a case-by-case basis, are in the sole discretion of the Board of Directors, and are not appealable by the Lot Owner.

f. In no event shall any lease release or relieve an Owner from the obligation to pay assessments to the Association, regardless of whether the obligation to pay assessments has been assumed by the tenant in such lease.

g. Upon executing a lease, an Owner shall provide the Association with a certificate signed by the tenant(s) confirming that he/she has/have been given a copy of this Declaration, the Bylaws, rules/regulations and any amendments thereto.

20. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community except in an enclosed garage.

21. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or re-channel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves for the benefit of Declarant, any builder who has purchased any Lot(s) for the purpose of the construction of a residence thereon and the resale of such Lot(s) and residence(s), and the Association and their respective successors and assigns, a perpetual easement across the Subdivision property for the purpose of altering drainage and water flow. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the person causing the damage at its sole expense.

22. Utility Lines. except as may be permitted by the ACC, no overhead utility lines, including lines for cable television, shall be permitted in the Subdivision, except for temporary lines as required during construction and lines installed by or at the request of Declarant.

23. Air-Conditioning Units, Grills and Outdoor Cooking Equipment. No window air-conditioning units may be installed except as may be permitted by the ACC, but in no event shall a window unit be installed in any dwelling so as to be visible from the front of any Lot or any adjoining street. Grills and outdoor cooking equipment must be stored in the Owner's garage, or at the rear of the dwelling so as not to be visible from the front of any Lot or an adjoining street.

24. Lighting. Except as may be permitted by the ACC, exterior lighting visible from the street shall not be permitted except for (a) approved lighting as originally installed on a Lot; (b) one (1) decorative post light and low level decorative lighting only along sidewalks, front doors and planting beds surrounding the dwelling; (c) street lights in conformity with an established street lighting program for the Subdivision; (d) seasonal decorative lights from Thanksgiving to the following January 15; (e) front house illumination of model homes; or (f) for all other holiday or special occasion decorations on a temporary basis. Additional lighting must be approved in advance by the Board of Directors or the ACC.

25. Artificial Vegetation, Exterior Sculpture, Exterior Statuary and Similar Items. No artificial vegetation or plastic animal decorations, such as pink flamingos, etc., shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, bird baths, bird houses and similar items must be approved by the ACC. Permanent, free standing flag poles are prohibited. Temporary flagpole staffs that do not exceed six feet (6') in length and are attached at an incline to the wall or pillar of the dwelling do not require ACC approval. Seasonal, holiday, decorative flags, the U.S. and N.C. Flags are permitted to be displayed.

26. Energy Conservation Equipment. Solar energy collector panels or attendant hardware or other energy conservation equipment may be installed as long as it is an integral and harmonious part of the architectural design of a structure, as determined by the ACC.

27. Gardens and Play Equipment. Vegetable gardens, hammocks or play equipment must be located between the rear of the dwelling and the rear lot line. Play equipment must be constructed of natural wood and must be concealed from the side street by fencing. Trampolines are permitted ONLY with a fenced-in back yard and must have prior ACC approval. Basketball goals must be mounted on a standard post. Location of mounted basketball goals must be approved in advance. Temporary (mobile) basketball goals must be stored inside or close to the garage door when not in use and under no circumstances shall a basketball goal be placed in the street.

28. Exteriors. Any change to the exterior color, finish or texture of any improvement located on a Lot, including, without limitation, the dwelling, the roof of any dwelling, or any fence, must be approved by the ACC.

29. Entry Features. Owners shall not alter, remove or add improvements to any entry features constructed by Declarant on any Lot, or any part of any easement area associated therewith without the prior written consent of the ACC.

30. Window Treatments. No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose.

31. Fuel or Water Tanks. No fuel tanks or water tanks shall be stored or maintained upon any Lot in such a manner as to be visible from any public street or road or from any other Lot, unless used by Declarant, temporarily, in the ordinary course of developing the Subdivision.

32. Erosion Control. No activity which may create erosion or siltation problems shall be undertaken on any Lot without the prior written approval of the ACC of plans and specifications for the prevention and control of such erosion or siltation. The ACC may, as a condition of approval of such plans and specifications, require the use of certain means of preventing and controlling of such erosion or siltation.

33. Septic Systems. Declarant hereby reserves for the benefit of Declarant, any builder, and the Association and their respective successors and assigns a perpetual easement across the Subdivision property for the purpose of maintaining, repairing and inspecting all septic systems throughout the Subdivision. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the person causing the damage at its sole expense. Declarant's Rights. Declarant, their agents, employees and contractors shall have the right to do such things or take such action as they deem necessary, and advisable for completion and improvement of the Property for the sale, or other disposition of Lots. These rights under this Section

shall terminate one year after Declarant has sold the last Single Family Lot in the Property. No amendment of this Section shall be made without the written approval of Declarant.

ARTICLE IX

1. Insurance Required Under the Act. Section 47F-3-13 of the Act requires certain insurance to be carried by the Association and provides for the distribution of insurance proceeds, and requires certain provisions for property and liability insurance and governs repairs made with the insurance proceeds. In the event the insurance requirements of this Article conflict or fail to incorporate the provisions of Section 47F-3-13 of the Act, the provisions of the Act shall apply and govern.

2. By Owners. Each Owner on a Single Family Lot shall purchase and maintain fire and extended coverage insurance as follows: Each dwelling on a Single Family Lot and other improvements located upon such Single Family Lot shall be insured in an amount equal to 100% of its insurable replacement value as determined annually by the Association with the assistance of the insurance company providing insurance. Such coverage shall provide protection against: (1) loss or damage by fire or other hazards, including extended coverage, vandalism, mischievous mischief; and (2) such other risks as from time to time as shall be reasonably required by the Association.

3. By Association. The Association shall procure and maintain insurance coverage as follows:

a. The Association shall have the duty and authority to maintain fire and extended coverage casualty insurance on all improvements located upon such Common Areas and facilities (and any personal property located upon such Common Areas) in an amount not less than the full insurable value thereof (based upon the current replacement costs), and liability insurance with limits in and amounts adequate, under standards in the insurance industry existing from time to time, to protect the Association and the Owners in the event of property damage, personal injury or death occurring in or about the Common Areas and facilities. The Board of Directors shall have the authority to settle or enforce on behalf of the Association and on behalf of the Owners, by legal action or otherwise, any claim arising under any insurance carried by the Association.

b. Premiums for insurance policies purchased by the Association for the Common Areas shall be paid by the Association and shall be included as Common Expenses of the Association paid for as part of the General Annual Assessments provided for herein. Owners may, at their option, purchase at their cost and expense, insurance coverage upon their own personal property and for the personal liability of such other coverages as they may desire.

c. The Association shall continuously maintain in effect fidelity insurance coverage for protecting against dishonest acts by Association officers, directors, trustees and employees and all others who are responsible for any funds of the Association. If professional management is

obtained by the Association and it has this coverage and it handles the funds, then this requirement will be satisfied.

ARTICLE X

DAMAGE AND DESTRUCTION

Damage to Single Family Lots. Restoration and repair of damage to any Dwellings on Single Family Lots shall be made by and at the expense of the Owner thereof. All repairs, reconstruction or rebuilding of any Dwelling on a Single Family Lot shall be substantially in accordance with the plans and specifications for such damage or destroyed Dwelling prior to the occurrence of such damage, or in accordance with such differing plans and specifications as are approved for such purposes by the ACC as provided in this Declaration.

Damage to Common Areas. Restoration and repair of damage to any Common Area shall be made at the expense of the Association unless, under the provisions of Section 47F-3-113(g), the repair and restoration is not required to be effected. If the work is to be accomplished, the Association shall promptly contract for the repair, restoration or reconstruction, and if necessary, collect any proceeds of insurance from the insurance company. The difference, if any, between the insurance proceeds payable by reason of such repairs and the costs thereof, may be recovered by one or more Special Assessments levied by the Board.

ARTICLE XI

Notwithstanding any provision contained herein to the contrary, in the event of a taking of all or any portion of a Lot or all or any portion of the Common Area by eminent domain, or by conveyance in lieu thereof, the awards paid on account thereof shall be applied in accordance with Section 47F-1-107 of the Act. If the cost of repair, restoration and reconstruction of the Common Area exceeds the amount awarded by the court for such purposes, the difference may be recovered by a Special Assessment levied equally against all Owners.

ARTICLE XII

MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first mortgages on lots in the Subdivision. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained herein,

1. Notices of Action. An institutional holder, insurer or guarantor of a first mortgage, who provides a written request to the Association stating its name, address and

Lot number, therefore becoming an "eligible holder", will be entitled to timely written notice of:

- a. any condemnation loss or casualty loss which affects a material portion of the Subdivision or which affects any Lot on which there is a first mortgage held, insured or guaranteed by such eligible holder;

2 No Priority. No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

3 Notice to Association. Upon request, each Lot Owner shall be obligated to furnish to the Association the name and address of the holder of any mortgage encumbering such Owner's Lot.

4 VA/HUD Approval. As long as Declarant has the right to appoint and remove the directors of the Association, the following actions shall require the prior approval of the VA so long as the VA is guaranteeing any mortgage in the Community, and HUD so long as HUD is insuring any mortgage in the Community

- a. annexation of additional property to the Subdivision; except for annexation by Declarant in accordance with Article II, Section 2.2 hereof pursuant to a plan of annexation previously approved by the VA and/or HUD as applicable;
- b. dedication of a Common Area to any public entity;
- c. mortgaging of a Common Area;
- d. mergers and consolidations;
- e. dissolution of the Association; and

6. Failure of Mortgagee to Respond. Any mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the mortgagee within sixty (60) days after the mortgagee has received the Association's request.

7. Amendments-By-Board. Should Fannie Mae, Freddie Mac, the VA or HUD subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

ARTICLE XIII

GENERAL PROVISIONS

1. Enforcement. Each Owner and occupant shall comply strictly with the Bylaws, the rules and regulations, the use restrictions, as they may be lawfully amended or modified from time to time, and with the covenants, conditions and restrictions set forth in this Declaration and in the deed to such Owner's Lot, if any. The Board of Directors may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. The Board of Directors, on behalf of the

Association, or, in a proper case, an aggrieved Owner shall have the right to enforce, by any proceeding at law (sue for damages) or in equity (for injunctive relief), all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. In any such action taken by the Association, whether or not a civil action (lawsuit) is commenced, the Association shall be entitled to recover reasonable attorneys' fees and court costs actually incurred by the Association in bringing such action. Failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Board of Directors shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or design guidelines and to assess the cost of recording and removing such notice against the Owner who is responsible (or whose occupants are responsible) for violating the foregoing. After notice and an opportunity to be heard as required by the Act, the Association shall also have the right to suspend the voting rights of a Lot Owner and the right of an Owner to use the Common Area, if any, for any period during which any Assessment against such Owner's Lot which is hereby provided for remains unpaid, and, for a reasonable period of time for an infraction of the Declaration, Bylaws, or rules and regulations.

2. Severability. Invalidation of any one of these covenants or restrictions of this Declaration, by judgment or court order shall in no way affect any other provision, which shall remain in full force and effect.

3. Amendment and Termination. This Declaration may be amended only in strict compliance with the Act, including, without limitation, Section 47F-2-117 of the Act, except no amendment altering or impairing Special Declarant Rights or other rights reserved by Declarant in this Declaration may be made without the written consent of the Declarant, for as long as Declarant owns any portion of the Property. Notwithstanding the foregoing, and provided such amendment is not expressly prohibited by the Act, during any period in which a two class voting structure is in effect, Declarant may amend this Declaration without the approval of any other Member provided, the amendment does not materially alter or change any Owner's right to use and the enjoyment of such Owner's Lot or of the Common Area as set forth in this Declaration and the amendment does not adversely affect the title to any Lot. Except as provided herein, any other amendment of this Declaration shall require the affirmative vote or written instrument signed by Members to which at least sixty-seven percent (67%) of the votes in the Association are allocated.

Any instrument amending this Declaration must contain a certification by the President of the Association that the Amendment has been correctly adopted in accordance with the provisions of this Declaration and be recorded in the Franklin County Registry. Any such amendment shall be effective upon the date of recordation.

This Declaration may be terminated only by agreement of Members to which at least eighty percent (80%) of the votes in the Association are allocated as set forth in Section 471-2I 18 of the Act. The procedures for termination of the Declaration set forth in the Act must be strictly complied with in order to terminate the Declaration.

4. Amendment to Conform to Requirements of FHA/VA/FHMA/FHLMC.

Declarant, without consent of the Association or any other Owner of Lot or Lots, may amend this Declaration to conform to the requirements of the above-listed federal mortgage institutions at any time during which Declarant owns any portion of the Property.

5. Self-Help. In addition to other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon any Lot or any other portion of the Subdivision to abate or remove, using such force as may be reasonable necessary, any structure, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Board shall give the violating Lot Owner ten (10) days written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

6. **Effective Period.** The covenants, conditions and restrictions of this Declaration shall run with the land and bind the Association and the Owners of Lots for a period of twenty-five (25) years from the date this Declaration is recorded, after which time such covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years until amended or terminated as herein provided. The reserved easements shall run permanently with each Lot.

7. **Assignment and Delegation.** The Declarant reserves and shall have the right and option at any time and from time to time to assign and delegate any or all of its rights and its duties under this Declaration.

8. **Headings, Article and section headings** are inserted for convenient reference and are not to be construed as substantive parts of the paragraphs to which they refer, except to the extent they differentiate the different classes of Lots, Members or Assessments.

9. **Variances.** Notwithstanding anything to the contrary contained herein, the Board of Directors or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or *use* restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Subdivision.

10. **Security.** The Declarant or the Association may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve safety in the Subdivision. Notwithstanding the providing of any such measures or taking of any such action by Declarant or the Association, each Owner, for himself or herself and his or her tenants, guests, licensees and invitees, acknowledges and agrees that neither the Declarant nor the Association is a provider of security and shall have no duty to provide security in the Subdivision. It shall be the responsibility of each Owner to protect his or her person and property and all responsibility to provide security shall lie solely with each Lot Owner. Neither the Declarant nor the Association shall be held liable for any loss or damage by reason of the failure to provide adequate security or ineffectiveness of security measures undertaken or provided.

11. **Indemnification.** To the fullest extent allowed by applicable N.C. law, the Association shall indemnify every officer and director against any and all expenses, including, without limitation, attorney's fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

12. **Road Maintenance.** The Declarant shall provide ordinary care and maintenance to the roads within the Subdivision until they are put on the state system. In order to enable the Declarant to accomplish its road maintenance obligations *as set* forth in this Article, permanent rights and easements over all Lots have been reserved to the Declarant.
